

PROFESSIONAL ADR PLEDGE

We recognize that for many business disputes there is a less expensive, more effective method of resolution than the traditional lawsuit.

Alternative Dispute Resolution (ADR) procedures involve collaborative techniques, which can often spare companies the high costs of litigation, the in-ordinate delay and the destruction of long standing relationships.

In recognition of the foregoing, we hereby endorse ADR and subscribe to the following statement of principle on behalf of our firm:

In our representation of any client involved in a dispute, we pledge to inform the client of the option of settling the dispute through negotiation, mediation or any ADR technique before pursuing full-scale litigation.
